MAYA FOUNDATION WEB SITE PRIVACY AND COOKIE POLICY

It is one of the most important principles of Maya Foundation (“**Foundation**”) to protect privacy of the visitors (“**Data Owners**”) of <http://www.mayavakfi.org/>, web site operated by the foundation. With the Web Site Privacy Policy (“**Policy**”), explanations are made regarding: (1) Processing of Data Owners’ Personal Data, (2) Cookie Policy and (3) Web Site Privacy Policy Coming Into Force.

1. PROCESSING OF DATA OWNERS’ PERSONAL DATA

Foundation as the data responsible shall be able to process the personal data acquired while you visit our web site, pursuant to the Law on Protection of Personal Data numbered 6698 (“**Law**”) and under the framework described below.

PURPOSE OF PROCESSING YOUR PERSONAL DATA

Foundation shall be able to process your personal data acquired via your visit to our web site, pursuant to the 5th and 6th articles of the Law, for the purposes described below:

- For the performance of commercial activities carried out by the Foundation, our relevant work units conduct necessary studies and execute relevant work processes,
- In order to ensure products and services provided by the Foundation are utilized by related people, our relevant work units conduct necessary studies and execute relevant work processes,
- In order to propose and introduce products and services provided by the Foundation to the taste of the related people by customizing them in line with their habits and needs, necessary activities are planned and executed.

PARTIES YOUR PERSONAL DATA ARE TRANSFERRED TO AND GOAL OF TRANSFER

Your personal data acquired via your visit to our internet site shall be able to be transferred to our business partners, our suppliers, public institutions and private persons legally authorized under the conditions and goals specified by the 8th and 9th articles of the Law on Protection of Personal Data and in line with the goals set out for processing your personal data.

METHOD OF AND LEGAL REASON FOR COLLECTING YOUR PERSONAL DATA

Any kind of information that makes your identity clear or determinable is “personal data.” Under the scope of your visit to our web site, your personal data are collected via cookies which are technical communication files pursuant to the data processing conditions specified by the Law.

DATA OWNERS’ RIGHTS

We notify that you have the following rights as personal data owner, pursuant to the 11th article of the Law:

- To learn if your personal data are processed or not,
- If your data are processed, to request information on such processing,
- To learn the purpose behind processing of your personal data and whether they are used in line with such purpose,
- To know the third persons to whom your personal data are transferred in Turkey or abroad,
- To ask for correction in case your personal data are processed incompletely or wrongly and request that the procedure done under this scope are notified to the third persons your personal data are transferred to,
- To ask personal data are erased or destroyed despite they are processed pursuant to the Law and provisions of other related laws, in case the reasons behind such processing disappear and to request that the procedure done under this scope are notified to the third persons your personal data are transferred to,
- To make objection in case a situation to your detriment occurs as a result of analysis of the processed data exclusively by automatic systems,
- To request removal of any loss you incur due to any unlawful processing of your personal data.

For your applications regarding your rights listed above, you can contact our Foundation by filling Maya Foundation Data Owner Application Form that you can reach via [____]. Your applications shall be concluded free-of-charge within the shortest possible time according to the kind of your demand and within thirty days at the latest; but in case the procedure requires an extra cost, you may be asked a fee according to the tariff determined by the Board of Personal Data Protection.

2. COOKIE POLICY

We use cookies so that you make use of our web site most efficiently and to enhance your user experience. If you do not prefer cookie use, you can delete or block cookies from your browser settings. However we would like to note that this may affect your use of our web site. Unless you change the cookie settings from your browser, we will assume that you accept cookie use on this web site.

WHAT IS COOKIE AND WHY IS IT USED?

Cookies are small text files stored in your device or network server via browsers by the web sites you visit.

Main purposes of cookie use on our web site are listed below:

- To develop the services given to you via increasing functionality and performance of the web site,
- To improve the web site and to offer new properties on the web site and to customize the properties offered according to your preferences;
- To ensure legal and commercial security of the web site, you and the Foundation.

TYPES OF COOKIES USED ON OUR WEB SITE

Session Cookies	Session cookies are temporary cookies used during the visitors' visit
-----------------	---

	<p>to the web site and deleted after the browser is closed.</p> <p>Main purpose of using such cookies is to ensure that the web site properly functions during the time of your visit.</p> <p>For example, the purpose may be to provide for filling of online forms made up of more than one page.</p>
Persistent Cookies	<p>Persistent cookies are types of cookies used for the purpose of increasing functionality of the web site and providing a faster and better service to our visitors.</p> <p>This type of cookies is used to remember your choices and store them in your device via browsers.</p> <p>Some type of persistent cookies can be used to make suggestions customized for you taking into account issues such as goal of your use of the web site.</p> <p>Thanks to persistent cookies, if you revisit our web site with the same device, it is checked whether there is a cookie created on your device by our web site and if so, it is understood that you have visited the web site before and the content to be communicated to you is determined accordingly and hence a better service is given to you.</p>

COOKIES USED ON OUR WEB SITE

Technical Cookies	With technical cookies, functioning of the web site is ensured and pages and areas where the web site does not function are determined.
Authentication Cookies	With authentication cookies, if visitors enter the web site by using their passwords, that he/she is a user of the web site is determined on each page visited by the visitor on the web site and hence the user is not required to reenter the password on every page.
Flash Cookies	These are types of cookies used for activating image or sound contents on the web site.
Customization Cookies	These are cookies used to remember users' preferences during their visit to different pages of different web sites. For example, remembering the language choice you have made.
Analytical Cookies	Analytical cookies are cookies that provide production of analytical results such as number of those visiting the web site, the pages viewed on the web site, web site visiting hours, scrolling moves between pages of the internet site.

CAN DATA OWNERS PREVENT USE OF COOKIES?

You have the opportunity to customize your choices regarding cookies changing the settings of your browser.
